- Fill boxes completely. Boxes with space are easily crushed when stacked.
- Do not pack any quilts or kits in plastic bags.
- Use packing tape (*no masking tape*) to securely close boxes.
- Use wide black markers to label each box clearly on *at least two sides* with this information:
  - "LWR"
  - Quantity and type of gift inside

## Shipping Costs

Each congregation is asked to give a donation of \$25 (or more, if possible) to help with the cost of shipping, postage, and other expenses incurred for this ingathering. Please bring your gifts to a collection point together with the completed orange Inventory Sheet. Cash or checks made payable to "Central Illinois LWR Ingathering" are welcome. All funds received in excess of expenses are forwarded to LWR for its shipping fund.

## Reminders for 2021:

- Personal Care Kits and School Kits are always in great demand along with the Mission Quilts.
- Do not include anything other than items listed for each kit.
- LWR is no longer accepting fleece blankets. This is to help preserve fragile ecosystems and water supplies.
- Bulk bar soap is no longer needed. LWR and its partners are resourcing bar soap in-country to save shipping costs and encourage local businesses.
- Be sure to check local collection point hours closely which are found below. (Loading schedule found on other side.)
